

APG began publishing the APG Newsletter in 1979 and the APG Green Sheet in 1981. The Green Sheet, which ceased publication in August 1985, was small and consisted of primarily professional tips and articles. The Newsletter became the APG Quarterly in 1986.

The index is a searchable PDF file, organized by general topic, then sorted by article title.
For best results, use the Find feature (Ctrl+F) in Adobe Reader to locate specific keywords, authors, or titles.
